

TMEA Region 31 Band Division

Congratulations on earning a position in one of the TMEA Region 31 All Region Bands!

The Region 31 Band audition process began with over 1,400 students and you were selected as one of the best. Next weekend, you will join other talented students from across the region to rehearse and perform.

For the best possible experience:

1. Practice your music, especially any technical challenges or solos.
2. Bring all necessary supplies: mutes, mallets, etc.
3. Have a pencil on your stand and mark your music as requested by your clinician.
4. **Arrive early** for each rehearsal and be warmed-up prior to the rehearsal start time.
5. Keep your cell phone turned off and out of sight during each rehearsal and the concert.

You must attend all of each rehearsal in order to perform on the concert and receive your patch. If you are academically ineligible or become ill, please have your director contact Mr. Hull immediately so we can fill your vacant position with another student. During rehearsals you may dress comfortably, but do not wear hats. Wear formal concert attire for the concerts. You will receive your All-Region patch when you turn in your folder at the conclusion of your performance. Please remember that your behavior is a reflection of your campus band program and our region. Please use your best rehearsal etiquette and thank your clinician for the experience.

Once again, **CONGRATULATIONS!** We look forward to seeing you at the first rehearsal!

Sincerely,

Donnie Hull, TMEA Region 31 Band Division Chairman
